

MUHAMMAD SHAHROZ

Assistant Accountant

Lahore, Pakistan | +92 307-6500041 | shahrozjavaid786@gmail.com | linkedin.com/in/shahrozjavaid786

PROFESSIONAL SUMMARY

Detail-oriented Assistant Accountant with hands-on experience in bookkeeping, bank reconciliation, accounts payable/receivable, and ledger management. Proficient in Sage 50, QuickBooks, and MS Excel (Pivot Tables, VLOOKUP, SUM/IF). Known for accuracy, timely financial reporting, and strong vendor and client coordination in fast-paced accounting environments.

PROFESSIONAL EXPERIENCE

Assistant Accountant — Succour Accountant Ltd

June 2024 – Present | Lahore, Pakistan

- Maintained daily bookkeeping records with high accuracy, ensuring all transactions were posted and reconciled on schedule.
- Prepared and posted sales and purchase invoices using Sage 50, reducing processing errors through systematic data-entry checks.
- Performed monthly bank reconciliations, identifying and resolving discrepancies between bank statements and internal ledgers.
- Managed accounts payable and receivable, updating ledgers and following up on outstanding balances with vendors and clients.
- Produced Excel-based financial summaries and management reports using pivot tables and formulas for data analysis.
- Coordinated with vendors and clients to resolve financial queries and ensure smooth transaction processing.

Accountant — Project Management Unit (PMU)

July 2023 – January 2024

- Prepared and processed financial vouchers for project transactions, ensuring accuracy and compliance with organizational policies.
- Handled and issued cheques for vendor and project-related payments, maintaining proper documentation and approval records.
- Performed reconciliations of project accounts and bank statements to ensure accurate and up-to-date financial records.
- Assisted internal and external auditors during audits by providing required vouchers, documentation, and financial records.

Administrative Responsibilities

- Efficiently managed office supplies and inventory, ensuring smooth and uninterrupted daily operations
- Coordinated stock management and timely restocking to maintain office standards
- Provided administrative support by resolving employee issues promptly and professionally
- Maintained accurate attendance records and supported HR functions including record-keeping

EDUCATION

BS Management Sciences — Specialization in Accounting & Finance

National College of Business Administration & Economics (NCBA&E)
